“ David and family members,
We are so sorry for your loss.
We know that expressions of sympathy, no matter how heartfelt, do little to ease your pain. But we want you to know that our thoughts and prayers are with you.

“ David, Tara and all her family.

I know right now there isn't anything anyone could say that would take away your pain. I've had many great losses in my lifetime and its the hardest thing to loose someone you love so much. I can only share with all of you how much Louise meant to me. We may not be able to see her any longer but I know deep inside Louise will always live within our hearts. I had the honor of knowing her through my cousin Lisa. She welcomed me into her life and started to invite me to many special GNO events. Louise was the link that joined all of us together. We had a lot of laughs and shared a tear or two. I learned a lot about who Louise was as a person. She loved hard, she cherished her family & friends. When my cousin was having some major crisis in her life she would call me just to talk. She worked hard for her friendships. She always tried to find a way to help and be there for her friends like an extension of her family. She fully understood the true meaning of friendship. We shared a common link the love we both had for my cousin. There a poem that comes to mind that seems fitting to share.

*We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.*

*It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.*

*You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.*

*Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.*

She touched my life and it meant so very much. I will always be grateful to have had the honor to know her and have her as my friend. She will be missed dearly.

“ Louise, you were such an amazing mother in law. You always kept me on my toes with your witty personality. It was a pleasure seeing how much you enjoyed caring for my children. They clearly adored you. I promised you I would take good care of Donnie, and I will. I already miss enjoying time with you and having a good laugh together. You will be forever missed and will always be in our hearts. I love you.
