“ Lulu was a blessing and an inspiration to me. No matter how she felt she faithfully made her way to my floor. With a smile and a gentle kiss she never failed to ask me how I was doing and if everything was OK. She rarely allowed her illness to stop her from this daily routine. Then one day she stopped coming. She was truly a wonderful woman, I miss her dearly and will never forget her. God bless you all.

“ To Lulu's family,

My service dog, Teddy, and I visited Lulu weekly for the past year and a half.

She took great joy in Teddy's visits to her and he showed her how much he loved her

as he romped around in her bed and then quietly laid beside her.

We are going to miss her terribly. We live where she did on High St. before going

to Oceanside.

Our deepest sympathies to all of her family and friends. She really enjoyed outings for dinner with you when she was able. She loved you all very much.
