“ *I just came across this obituary on line and was so saddened to see it. I am very sorry for your loss. I served under Lt. Colonel Pignato at Fort Devens, MA from 1979 1981. I was enlisted administrative assistant. I was a homesick 19 y.o. girl from Minnesota and your Dad/Husband was like a second father for me. He looked out after me (and all of us enlisted in the office) with kindness and he steered us always in the right direction. I have thought of him and his kindness often over the years. What a wonderful man he was! Lori Kryzsko (PFC Nelson)*

“ Jack was a year behind me at Brookline High , and both of us played football but Jack was a terrific player enabling him to go to Northeastern and play for Joe Zabilski. He was a friend to hundreds and well liked by everyone. After he retired from the Army we got together for lunch a number of times , meetings which I thoroughly enjoyed and well remembered . He was reluctant to spell out some of his Army missions but said a few things which suggested he had an amazing career and had mixed assignments with other government agencies. He will certainly be missed. My thoughts and prayers are extended to his wife and family. This is certainly a sad time for us all. Rest in peace , Jack, you earned it. God bless him!

I watched John play football at Tech. Field . I think he was on the team that beat Weymouth for the state champs. He was also a friend of my older brother John. Truly sorry for your loss. Paul L. Crump
