

Lucas Samuelson

November 25, 2025

Manchester - Lucas Samuelson, 39, longtime Hampton resident who moved to Manchester, New Hampshire in 2020, passed away peacefully on November 25, 2025.

He was the son of the late Barbara Samuelson and Thomas Felix Samuelson, and the stepson of Beverly Samuelson. Luke was adored by all who meet him (even President Bill Clinton). His always-happy attitude, infectious deep laugh, and beautiful smile lit up a room everywhere he went. He was an angel on earth who will be so greatly missed by all those fortunate enough to have met him.

Some of Luke's many hobbies included: fishing, cooking, visiting parks, visiting fire stations (a big thanks to those fire stations that allowed Luke to visit over the years), listening to 911 dispatches, watching funny TV shows, and spending time with his friends from One Sky Communities Services.

Luke loved children and visiting preschools, where he would read stories to the preschool children. Luke was a graduate from Hampton schools where he was liked by all staff and students who met him.

Besides Luke's parents, Luke was predeceased by his loving big brother Scott. Lucas is survived by his siblings, who loved and adored him: Lynne

(Chris), Kathy (Rob), Jennifer, and Heath (Stephanie). He is also survived by his nephews Ryan, Logan, Rylan, and Ashton, and also his nieces, Kalyssa and Regan. He is also survived by loving aunts, uncles, and cousins.

Luke was fortunate to have lived the last five years of his life with his amazing caregiver, Jeevan and family. They welcomed Lucas into their family, and loved and treated him as part of them. Besides Jeevan's family, Luke's siblings would like to thank all the caretakers and friends who loved Luke and took such good care of him over the years. The greatest gift you can give in Luke's memory is to live life as he always did – with a positive attitude and a smile on your face...no matter how hard life can get.

A graveside service will be held at 11 am on Thursday, December 4th 2025 at the High Street Cemetery in Hampton where he will be laid to rest next to his mother, father and brother.

I'm sorry to have missed the sad news of Luke's passing. I was visiting my son in California and only returned recently. Luke was a kind soul who found strength in others and was always willing to share his positive energy. Spending time with Luke while he was in high school was a definite high point of my teaching career. I suspect he taught us more than we can imagine. His name will be for blessing.
