“ *Geary family- I am so sad to hear of the loss of Lynne. We worked closely together for many many years. I thought of her often during our busy times and I am glad I was able to connect with her a few weeks ago. I will miss her "famous hot fudge". RIP LG*

“ I was a classmate of Lynne at PHS but we lost contact after graduation in 1964. We met again when I joined the Seabreeze Quilt Guild in 2002. At the Urban Forestry Center "Festival of Trees" where the guild decorated a room with quilts, I always enjoyed showing visitors, especially kids, Lynne\*s Christmas quilts, which were part of the display. She always cleverly placed some M&M fabric into the design of every quilt, and it was fun to discover where those M&Ms were hidden. Bonnie Gardner

“ My deepest sympathy to Lynne's family. She was a special lady. I particularly loved sharing family tree/history with her (I am a second cousin on the Chase side). She gave me so much information and insight into the early years of our family in America!
