“ *Mrs Akerman was like an adopted Grandma to me. When we first moved to Hampton Falls, my dad and I would visit weekly with both Mr & Mrs Akerman and play cribbage. We laughed alot and had great fun. When I left for the college and then the military I received cards from Mrs Akerman and when I was back in town I always made a point of going to visit her. My last few times thru she had been moved to the nursing home and it took a bit more time for her to remember who I was. My heart is broken that she is gone, but I have total confidence that she is rejoicing with Jesus and playing cribbage again with Mr Akerman.*

My deepest condolences to her family and friends.
