

Mackenzie T. Dewar

April 5, 1978 - August 9, 2018

Hampton – Mackenzie Thistle Dewar, 40, passed away on Thursday August 9, 2018, daughter of Duncan Dewar and the late Dianne Dewar.

Mackenzie had an infectious smile, laugh and energy. She made everyone feel like they were the most important person. She was vibrant, optimistic and the star of any room she was in.

She loved being outdoors – in the garden, at the beach. She loved her family and friends, her pets, birding, music and pictures. She loved language, words and lyrics. She was generous, thoughtful and creative. Her mix tapes were works of art.

Those who loved her most feel grateful to have been witness to her life and blessed to have been part of her story.

Mackenzie graduated from Winnacunnet High School in 1996 and earned her Associates Degree in Liberal Arts from Northern Essex Community College. She went on to study Film and Classics at the University of Utah, traveled extensively and took great joy in participating in the Sundance Film Lab with her uncle Lee.

She is survived by her grandfather, John Woodburn (Champy) and predeceased by her grandmother, Jean Woodburn. She is also survived by; brother Ryan Dewar and niece Sheadyn Dewar, aunts Donna Nersesian and Lisa Wade, cousin Drew Wade, aunt Heidi Mountain, uncle Toby Mountain and cousin Ben, stepmother Lise Dewar, sister Heidi Ayotte and niece Elliot, sister Meagan McCardle, niece Cassidy and nephews Carson and Boden. She is also survived by her loving partner, Greg Ristau and an endless list of friends.

“ *Dear Ry-Guy, Duncan and family,*

So sad to hear of your heart breaking loss. I feel your pain and your emptiness. It is hard to think. How will I take another step. But you will. The love and memories you shared will be with you always. The pain will subside and friends and family will give comfort and strength to you to help you continue in this journey we call life.

Ry-Guy, I always smile when i remember all the fun times you and Kenzie had in my pool. The games we played and the meals we shared... She was a beautiful person and a wonderful sister to you, and outstanding daughter.

Love always to you and Kenzie,

Auntie A

“ Dear Ryan, Duncan, and family~

I'm so deeply saddened to hear of Mackenzie. My heart aches, and goes out to you and all who loved her, and were touched by her light.

I was blessed with the gift of having a little sister when she came into this world, and for the years we spent growing up together. The love and experiences we shared are woven into the fabric of my being. Seeing the photos of her touch a very precious, and right now fragile place inside of me. I know we will see each other again, and until then she will always remain in my heart.

I am so, so sorry for your devastating loss. Please know that I'm thinking of you, sending hugs, and wishing you blessings of peace and comfort, in memories and with each other.
