

## Marcus E. Rowe

March 6, 1941 - February 24, 2025

On February 24, 2025, the world lost a true legend, Marcus E. Rowe of Hampton, NH.

Born on March 6, 1941, to the late Walter and Doris (Rand) Rowe, Marcus lived a life filled with passion, adventure, and love.

Marc attended Winthrop High School and served his country in the Air Force. After his time in the Air Force, Marc pursued his love for speed and mechanics, building race cars for racing events. He added motorcycles to his list of builds as well, creating custom Harley Davidson bikes that would earn him various awards and accolades. His attention to detail and skillful craftsmanship made him a respected figure among drag racers and motorcycle enthusiasts alike.

Marc leaves behind his wife Nancy, as well as his sister Brenda McHenry and his sons Marc Jr. and David and his wife Kathy. He will also be remembered by his grandchildren Marcus Rowe and wife Anita of PA, Mikenzie Rowe and husband Sergio, Marissa Alspen and husband Ricky and their mother Julia, Alyssa Rowe, and Marcus Rowe of CA and their mother Amy, as well as great grandson Gio.

He cherished family gatherings, especially with his grandchildren, whom he adored with all his heart. He acquired many friends throughout his lifetime,

helping any who would ask and building relationships with people from all walks of life.

When he wasn't in the shop working on his latest project, Marc could be found at the racetrack, participating or simply enjoying the events. He had a need for speed that drove him to push himself to the limit, always striving for victory.

Although Marc may no longer be with us, his legacy will live on through the memories he created and the lives he touched. He will be remembered as a family man, a skilled craftsman, and a true racing enthusiast.

Visiting hours will be held from 4-7 pm on Tuesday, March 4, 2025, at the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton, NH.

Rest in peace, Marc Rowe. Your memory will be cherished by all who knew and loved you.

“ I have been out of the loop for many years, I only just found out about Marc's passing. I am still in shock, I worked at Rowe Machine in the late 90's, it was an honor and privilege to work with Marc he was an amazing talent and I was so far out of my league but he put up with my short comings graciously. He was a great friend, a great employer and an amazing mentor...Thank You Marc for so many great memories...God Bless ....Dean Robblee

“ Our Dad worked for Marc as a machinist in his Danvers shop back in the late 70's/early 80's. Our Mom worked there, also, keeping books and people in line (her words). Marc was so much fun to be around, whether at his shop or at the track in Epping. We still talk about him and that time in our lives and were sad to read of his passing. Condolences to Marc's family and thanks for allowing us in. It was a good time!

“ I met Marc & Fran at the Winners Circle what seems like the better part of 30+ years ago, they were sitting at the bar we finished shooting pool and my friend had to leave so she saw these two and left me in their care to watch out for me (no clue who these two men were) while I waited for other friends to show up. Little did I know that would grow into a wonderful friendship throughout the years. I last saw him in 2012/2013 in South Hampton and he was still so on top of his game. Amazing man, amazing mindset, so talented and I am honored to have known him. Wonderful person!!! RIP my friend ❤️. Susan M
