“ *Randomly came across this...perhaps I was meant to come across it. But, in any case, with respect, my condolences. When we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now.*

Emmalina - March 06, 2017 at 03:10 PM

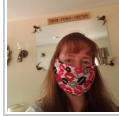

*Emmalina,
Thank you so very much. This is the first I saw of your post..maybe I was meant to come across this as well. Thank you for your kind words.*

“ *I'm so sorry to hear of Peg's passing. She was a kind, clever and gentle woman. I took many early morning walks with Peg & Marin Fortune in the late '90s prior to Peg moving to Seabrook. I came to know during those walks and sitting with her at the meetings of the Daughters of Isabella. She loved her family and I'm sure she'll be greatly missed by all of you.
My sincere sympathy. Ginny Seely*

“ So many fond memories of our parents and families as we were growing up. The one that always makes me laugh is how my son Keith couldn't say Peggy so he always called your Mom Piggy! Rest in peace and say "Hi" to my dad for me. Remembered with love today and always.

“ So many memories when you worked at the school in the summers. You had the sweetest heart and was always ready to give a kind word. One of the the hardest workers I know. So many times we would laugh about the silly things during the day you made those summer days joyful. You were a blessing to us all. My prayers for your family that they would have peace in this difficult time may they find peace in the fact that you are in heaven waiting for us so we shall meet and laugh again.

“ Dearest Peg, I feel so very blessed to have been just a small part in your life. There aren't many who have the open heart and open home like you did. Thank you dearest one for all the great memories at your home, at Mareen and Browns camps, and at school. I will never forget you sweet lady. I hope you are in the loving arms of your husband now. Hugs and comfort to all of your family. Love, Sue Lattime
