“ I am so sorry to hear of Peggy’s passing - I met her just by chance when she would come in shopping at Market basket in Seabrook. We became so friendly as she was my regular customer every week - I would look forward to seeing her and talking with her - we talked about her life and being a nurse as my mother was too. I would become so concerned when I wouldn't see her and then she would pop back in and it would warm my heart that she was still with us - and then she moved into AL and I only saw her twice after that. I was just thinking of her and found her obituary- I'm so sad - you would always leave me and say “god bless you” - and now I can say “may God bless you know.” - be in peace my friend Peggy.

“ I remember Peggy as a sweet neighbor and friend. Smiling as she stood behind her door on Nashua Street. Peggy was a lovely lady and very thoughtful. God bless her soul. May she be greeted in heaven with a fine ass?
