“ Marianne and I worked together at the Beverly Office for years and whenever we would see each other we would feel that connection that she gave others with her kind spirit. I have a wonderful memory of seeing her in Salem at the kid's day where she was with her niece and she was going on the slides over and over and we joined in. It was heart breaking to hear that her spirit has left us so soon.

“ *Marianne was one of the most genuine ,caring, thoughtful and kind person I have ever met. She was beautiful inside and out and would do anything for anyone! If it was spending hours over time helping others in the field or listening to others problems, she always had a positive attitude about everything! When Marianne walked into a room she was a ray of sunshine and I will forever hold my wonderful memories of her in my heart. RIP sweet Marianne, gone too soon..... love to her family and may you find comfort in knowing how wonderful a person she was and hold her memories close in your hearts..... Beth LaCroix*
