“ *Grammie and I used to play card games, watch Full House and eat ice cream together every weekend. She used to walk me to school when I was little. She took care of me and raised me from the very beginning. When we could, we'd go to Me & Ollies and get our favorite banana smoothies. She'd help me with my homework and we'd play Candy Land and every night we'd say a prayer that ended in "and if I'm to die before I awake, I pray the Lord my soul to take". Rest in peace Grammie, I'll miss visiting and bringing you your coffee and Boston cream doughnuts ❤️*
