“ *I was extremely lucky to stop in and visit Marilyn just before her leaving for Florida. We talked on her new picture of Inc, which she had received from a friend, books and her travels. We always spoke of travel as we met when she and the Good Doctor, as I called him, planned a trip to Scotland with me. I so enjoyed knowing both and the time I we spent together.*

“ My sincerest condolences. I only met Mrs. Marchant on a couple of occasions at the Dover Arena. As a founding member of Great Bay Figure Skating Club, her memory continues to live on through the skaters still skating today at the club she helped create. We appreciate her love for skating and dedication to GBFSC.

Sincerely,
Mercy Marchuk
