“Marilynn’s gentle and kind soul lives on. I am so sorry to learn of her passing. She came to my home in Maine for twenty years to get her hair done, and she quickly felt like family. We swapped stories, recipes, concerns, and joys. She always took a genuine interest in others - she listened intently. Sometimes she expressed worries about Skip being alone out in the woods, and that he might come across bears. I guess they remedied that with walkie-talkies. It was clear that she adored her family, and their big get-togethers, the cooking, the anticipation of seeing her kids and grandkids. I hope thoughts of Marilyn bring smiles to Skip and to all of her family and friends. She was a delight. <3

At some point, many years ago, I think I snuck a picture of her. If I can find it I’ll come back and share.

“Marilynn was everything you could ever ask for as a sister, sister in law, aunt to our children or in any role you could imagine. She and Skip have always been a large, positive influence on our family and we wouldn't be the people we are now without their loving kindness. We will miss her dearly but we know she is in our Father's hands and we know we will see her again.
