“ *My sincere sympathy to all of you. I started working at Aqua Laboratories at the age of 16 when I met Marjorie as a mother to Thomas and Meredith. I returned to work there a couple times over the years where I worked with her - for her and beside her. I always had the deepest respect for how she balanced business and family so perfectly. She was an amazing woman. Tom, Thomas and Meredith my thoughts and hugs are with you all. Tina Wallace*

“ *Tom and Family: You are all in my thoughts and prayers. I understand how difficult this is for all of you, especially you, Tom. You and Bethany showed me much compassion and understanding when my own father died, for which I shall remain forever thankful. Know that your mother is safely cradled in the hands of our Lord and knows no pain nor suffering. I pray that you find solace in the love of your family and friends.*

With love,

Rita and Walter

“ I sang with Marj at Holy Family (St. Joseph's Church). She was one of the loveliest women I've ever met. I know she is wrapped in the glory of our Lord and Savior. May she rest in peace.

“ Marjorie Cass was admired so much. She was my "IWTMA Mom". She took care of me in Vancouver when I had an abscess tooth. She came to my AWT board member introduction when my mother was too sick to travel to Washington, DC. I remember riding along the New Hampshire coast with her to look at Christmas decorations in 1987 when I visited Aqua Labs.

Both of my parents adored her, especially my mother. She is one of the most truly classic ladies I will ever know.
