

Mark M. Mullin

September 6, 1960 - August 1, 2022

Lee, NH – Mark M. Mullin, 61, of Lee and formerly of Portsmouth, NH, passed away peacefully on Monday, August 1, 2022 after a lengthy illness. Mark was born on September 6, 1960 in New York City, a son of the late Arthur and Louise Mullin.

Mark was raised mostly in New Hampshire area and graduated from Thacher. Very into computers from a young age, Mark made the computer industry his career. He started with Apple when the company was in their infancy and eventually took a position with Talligent for several years. Most recently, he worked as a programmer with Akami Technologies of Boston.

He loved animals and in particular, Newfoundland dogs, and owned Newfoundlands for nearly his entire life. Mark was a work-a-holic and was always programming and building various computer projects. He was also very creative in the kitchen and loved to cook for family and friends. He also enjoyed movies of all genres and was quite a movie snob.

Surviving family members include his son, Kalen Mullin of Lee, his sister, Hilary Schroeder and her husband, Tom of CA and his niece Valeska Schroeder of CA. Services will be private.

“ I am only just now learning of his death, and I am sorrier than I can say. I knew him from our shared riding the Downeaster train for quite a while some 20 years ago. A very interesting and equally kind fellow, and I know he is missed by all who knew him.

“ I worked with Mark at Taligent. Sad to hear of his passing. He was a great guy. He used to come over to my house to watch the latest episodes of Babylon 5 tv show back in the 90's. I remember one time he brought over some nice scotch for us all to drink. Having never had scotch, in what appeared to be a shot glasses, I proceeded to down mine thing like a shot (I didn't know you were supposed to sip it). I hear this “Nooooo” and the look of surprise and horror on his face was priceless. Will miss you buddy.
