“ *I am so sad to hear of Auntie Mickey's passing especially so soon after Uncle Paulie's. Dear cousin, I am thinking of you and your family and remembering the times we came up to New Hampshire to visit. The dairy farm down the street. Your singing beagle. The chickens. And the night we slept over and some car thieves drove right onto the front lawn of your old house, Auntie was such a strong person. May she rest in peace.*

Much love from your cousin Janice and my family

My condolences to Paul her son and family and friends. I was fortunate to have worked with her for several years and I will always appreciate her kindness and intelligent insight she shared. She was a very gifted person who impressed me with her thoughtful perspectives on the world and a awesome sense of humor. I worked with her for several years and she was a role model to me. Kind to everyone she met I would say. Condolences to her family and friends

“ Mary has been my Sister-in-law for 44 years. She was the first “in-law” I met. She and Paul opened their home to us and helped us arrange our wedding before we headed up to Maine for our new duty station. She was a kind, loving, hard working woman who valued family. She was the oldest of the 5 children and her sisters and brothers always knew they could count on her no matter what. She will be dearly missed by all her extended family.
