“ I met Mary years ago when she was a hospice volunteer and I was the volunteer coordinator. Mary was the essence of what I thought important in that role. Her innate kindness, extraordinarily humility and just plain goodness was both humbling and inspiring. She was a gift to me and all the patients and families she served. I will never forget her. “ Auntie Mary was a very special lady. The kindness she showed myself & my family was amazing! Annemarie, Charles & Elizabeth loved Christmas in July, our New year traditions, cuddling during storms,, visiting the farm and swimming in the pool especially when she wore her nightgown.
Condolences to Mary's family from the Martells. Thank you for sharing her with us!
