“ I remember Mary, mother of many of my students. She was a special
lady. She fought right along side of me for PHS to recognize Title
IX. She wanted equal opportunities for her girls which means she
raised strong daughters. Thank you Mary for making a difference.

“ To the Coombs family,
I am thinking of you and remembering your mom. She certainly had a wonderful life filled with so many who loved her. I remember her happy calmness and grace and that little sparkle in her eye. Her light will live on forever. I always loved the time I spent at your farm with your family.
