“ A fierce woman who even in her time of greatest need, put everyone else before herself. She made sure we were okay even though she was the one fighting. She helped us come to terms with her path even though it wasn't a path she chose. I am glad we seized every opportunity to be together. I'll treasure the laughs and the memories, the hugs and the tears but most of all, I'll treasure the piece of her that belonged to me.
