

Maryrose Richer

August 31, 1948 - October 27, 2024

Here I come, I have just arrived at Chelsea Massachusetts. I met my mother, Helen Anthony first and shortly after my Dad Robert Anthony. My life will be wonderful. I can sense the love in the room, and I will always be safe and cared for. I am the second of their children. My older sister is waiting for me at our home. She is bursting to be the big sister and teach me (ok maybe boss me around) we will grow to figure it out. My family added a brother for us when we were young, so we had a complete family of 5. When I was 8 years old, we moved into my forever home in Saugus MA, and I attended school there and graduated from the local high school. I did enjoy my years there but to my surprise I was going to start a new chapter of life and love, I met my future husband there at my home when a friend of mine stopped by one afternoon and introduced us she had no idea how that would become a love for the ages but I was sure she did me the favor of my life. We started to grow our love and never stopped for 58 years 8 months and 29 days.

My husband and I married in January 1966 and had three sons Robert, Ronnie and Shawn, we spent the next 24 years in the service of this great country as Ray was a member of the Air Force and we travelled and met many more patriotic individuals in our journey, a life that we loved and a safe secure place to raise our sons. As our sons grew and ventured out on their own, we became proud grandparents and later Great Grandparents and spent many years with them always going places and adventures with us and

attending the many activities our 5 Grandchildren and 5 Great Grand children were involved in. The family that we created was the joy of my life and there was never a moment of regret for the time we spent loving them and their accomplishments.

As I reach the end of my journey, I know that the legacy of caring and love that was part of my life will be carried on by those we leave behind. I only ask for Gods help in ensuring that my immediate and extended family and friends can remember that I loved them completely and have gone on to take my place watching over them. I will be here awaiting our joyous reunion in our eternal life.

“ *I have some really great core memories of being at your house, swimming in the pool and camping at 4th cliff with you. I remember going to Aquaboggin with Mom, you, Renee and Heather Lynn. I was hoping there would be a time soon that we could get together on your next Disney trip and I am so sorry that I missed you on your last one. Rest well! You will be missed!*
