“ *I remember maurice from the time he worked in Dover. I am so sorry to hear about his passing. He was such a quiet, fun loving guy. He would do anything for you! We had some fun times at work. I am so sorry he was taken away far too soon.*

“ *Thinking about you today and wondering where you would be if you were still here. I know you are watching over your family, especially your nieces and nephews.*

During a recent snowstorm we had, I got stuck in the parking lot and, of course, thought of you. Got to meet new neighbors though.

To Kim and family, I hope you are all doing well.

“ Sending sympathy for your loss. I only knew Maurice from the OOB dog park, but they say you learn a lot about a person by the way they treat their pets. Rocko is testimony that Maurice was a kind, loving man. He will be missed.

“ As Kim said, I was blessed to have known him these past 8 years. He was a quiet, generous man. A good neighbor. If we were stuck on ice, he would help us. He loved being an uncle. He would light up when talking about them. We would tease him about the pizza deliveries. He assured me he could cook. And he loved Rocko. We will miss him in Old Orchard Beach.

“ There are many memories of Maurice I could share. Some good, some funny and some inappropriate. He was a good friend with a good heart. If you needed to borrow money to make it to the end of the week he was there then when you went to pay him back he had forgotten he even lent it to you. There is so much more I could say tell you but I'm getting all choked up just thinking about them
