“ My name is Dana Chooljian and I met you at your parent's apartment in Amesbury, MA - when you were just a little baby in the crib - as I was a "basketball" friend with your Dad, "Rob" when we worked at K-Mart. You were a beautiful baby, and I am very sad you are gone - and also sad that I never had a chance to know you, as your father and I lost touch. I just pray that you are with Jesus now.
