“ *I couldn't have asked for a better mother-in-law. She raised three fantastic children and her family was her world. She loved her husband, her kids, & grandchildren more than life itself. The world should have more like her. I am proud to have been her daughter-in-law and will truly miss her!*

“ It's hard to see such a wonderful person go so young. When she lived in my back yard, we had lots of fun, giggling and singing until the wee hours of the morning. We actually sounded pretty good!!!! She was always good natured and smiling. I really missed her when she moved. . We always talked about recording a few songs and never did. I'd give anything to have just one now. May she rest in peace, and peace be with the family. God will comfort you, you only have to ask.
