“ *To Merrie's family: I just read of her passing and am sending you my condolences. I met Merrie in 1978. We worked together for a very short time but through the years our paths often crossed and we always were so happy to see each other. She was such a joy to know.*

“ *Kim, Ginger, Chris, John, and Kieth,
I was sorry to hear of you moms passing, she was a great lady. We had many good times together dancing, playing golf (made more fun with the thermos of bloody Mary's your mom brought along), we were on some great trips together with other friends in the LSN activity group. I will always cherish the friendship we had and the good times we shared. The world has lost a shining personality and kind soul. Merrie will be missed by all who knew her.
My condolences to you and your families.*
