“ Driving up to Mike & Renie's, giggling in the car with Alec on the way down the driveway singing, "Uh oh here comes trouble!" and then seeing Mike at the door with the biggest smile on his face. The memory never fades and neither will the love and laughter Mike brought us all. Sending hugs and love to Renie and family.

Mike and I met at the 1995 Open Golf Championship, held at St Andrews that year, when I was the tour manager for his retirement golf tour to Scotland. Mike and I quickly became good friends and on numerous trips to New England I enjoyed the wonderful hospitality of Mike and Irene. Mike and I played lots of golf together on these trips and Mike and Irene also visited us in Scotland and of course Mike and I played golf then too. Over the years we would WhatsApp regularly vying with each other to pick the winners in the golf majors, NFL games and in the last few years the European Champions League, what we Europeans call football. I hope that my association with Mike will have enabled some of his many fine qualities to rub off on me. Mike was a true and very kind friend to both Marj and me. We will miss him more than words can convey.

“ Irene, I send my condolences. If I remember correctly I went out to dinner with the two of you on one of your first dates? Mike was a friend for 40 years and a good man. I know all will miss him. Remember that terrible wild turkey he brought home from our hunt in Upstate New York he tried to deep fry and all his other crazy hunting exploits. I will cherish him and those memories always.

“ To the Appe Family I send my condolences and prayers for the loss of Mike. We were industry friends in the technology segment beginning over 30 yrs ago. Mike was always a competitive, fun loving guy who I remember fondly. I was lucky enough to run into Mike in the early 2000's in Wolfeboro NH when my son attended Brewster. It was great to see him back then.

We will pray for Mike and his family.
