“ *Aunt Beverly and Uncle Louie, my heart is breaking for you. Family and caring friends will help you through yet another struggle. Aunt Beverly, you've spent so much time taking care of others, let them be your strength at this difficult time. I'm so glad that Michael came to Newfoundland with you a couple of years ago, Uncle Louie, and I was able to get to know him just a little bit. I know he will be missed by everyone.. all my love, Donna .*

“ Our deepest sympathies to the Donley family. We owned the 4D in Salisbury for many years and Mike had worked for us. Although Mike was very young when he worked with us we had built a friendship that lasted through all the years. Every time we saw each other we would have a few laughs and reminisce but before we would say our goodbyes we would always ask about each other's families. That's when Mike would be his happiest.....bragging about his children!! Such a proud father! RIP Mike , you will be truly missed by many!!! Love ya Darlene & Chip Joslin

Such sad news. I remember Derek and Jake playing on Top Gun together--I can see Mike walking from one end of the rink to the other when the defensive ends switched. Sending our deepest sympathies to the entire family.

SC

I've had the great opportunity to know Mike since he started working on The River Bend Landing Project 2 1/2 years ago. He was only to do the demo work to last only a week or two. But with Mikes ability He took on the full project. An absolute great guy & friend was established. Honesty, Laughing & Joking, Kindness, Very Hard Worker, Quality was number one, and to do it right the first time.

A fun person to ride Motorcycles with. I have so many fun memories of Mike joking with his two sons on life in general.

I will always remember.

You will be missed by all that had the privilege of knowing you.

I am lucky enough to be on the very long list.

Rest in peace my friend

Love The O'Neils
