“ To the family and friends of Michael: We only knew Mike for a short time during the past year. He was a close friend of our daughter, and she brought him to our lake a number of times. From day one, we were much impressed by him. He was so happy, full of fun, respectful and caring. An A+ guy! We are so sorry that you have lost this wonderful man. But if there is a heaven, he surely earned his ticket there. God bless you all, and let's pray that we and Michael are all together again in a far nicer place. - Ray & Dotty
