“ *Dear Rose,
I hope you remember me... I visited with you Michael's last day in the hospital. I,too,lost my husband at 61 years old. I've read all the tributes to your husband. Just as I knew from the stories we shared that day, he was a treasured husband and friend to all. Embrace those memories. They will sustain you.

“ Rose, I am so sorry to hear of Mike's passing. He is the love of your life and you can hold him close to you with the wonderful memories of the special times you spent kayaking and camping, and other fun times. He always had a soft hello or nod of the head greeting when I would see him. He was taken too soon, and he will be missed by so many.
