“ *When I first met Mike we went to Pub Benny's in Haverhill. He went to the bathroom and my mom said What do you think of her m? I said he seems nice and he has a good sense of humor but mom he looks like Jack Klungman. She said I like Jack Klungman don't you? Yes I do. Then when he showed up later after several months later to go with me and my mom to buy the veil. I was like what the heck is guy doing here this is suppose to be me and my mom. He said almost laughing I'm only the driver, like don't kill the messenger. He did have a NY attitude and later he was more DeNiro- like...lol..Ci Rivediano Amico Mio au Paradise which the first part is Italian for see you again my friend, and the second part in French means In Paradise. Praise God and Thank you to all who knew of him.*
