

## Michael "Mike" Lago Sr.

November 14, 1932 - June 7, 2025

Seabrook- Michael "Mike" Lago, Sr., of Seabrook, New Hampshire, passed away peacefully at his home on Saturday, June 7, 2025, surrounded by his loving family. He was 92.

Born in Amesbury, Massachusetts, Mike was known for his warmth, humor, wisdom, and steady work ethic. He was a generous man who lived with integrity and never hesitated to show up for the people he cared about. To his grandchildren, he was simply Papa—a title he wore proudly.

Mike loved playing tennis and continued doing so well into his early 90s. He enjoyed hunting, fishing, and anything that gave him time outdoors—especially when shared with his wife, Carol, who passed away some years ago. The two were lifelong partners, and their relationship helped shape the values he carried into every part of his life.

He built several businesses over the years and lived a life full of purpose. But more than any accomplishment, it was his role as a husband, father, and grandfather that meant the most to him. His family remained an important part of who he was.

Mike will be remembered for who he was—not just what he did. He loved his family fiercely, worked hard, told great stories, and lived a full life.

He is survived by his children: Michael Lago, Jr., Steve Lago, Sr., Bobby Lago, and Andrea Grenier; his grandchildren: Jason Michael Lago, Scott Robert Lago, William George Lago, Stevie Lago, Jr., Brett Lago, Peter Jason, Lisa, Erica Grenier, and Michael Grenier; and many great-grandchildren. He was preceded in death by his wife, Carol Lago.

A celebration of life will be held later this summer with dates and times to be announced here. Please check back.

“ Mike and my husband worked together at Hoods Milk 65 plus years! We thought the world of Mike and Carol! Every day but Sunday I would drive up to Lone Oak to see if his car was there! (Guess I am going to save gas)! Our thoughts and prayers are with you all! 🙏🙏

“ Every spring Mike would take a fishing trip with his youngest son, Steve Lago Sr., to his camp on Lambert Lake in Maine. Mike’s competitive nature often had them trolling the lake for hours on end, starting before the sun came up and not turning in until he finally landed a monster salmon. He loved sharing stories, testing different lures, and spending time with his son in a place he truly loved. Fishing was one of Mike’s greatest passions in life and his enthusiasm never let anything get in his way of heading north every April.

“ To all the Lago clan,  
Your dad/grandfather was really one of a kind; a heart of gold. His infectious smile always present, which I see in a lot of you. I loved hearing the stories of the “Hounds” especially when I got older, the stories got a little more....lets say interesting. He will be missed.

“ My prayers go out to the Lago family during the time of their loss. I remember both Mr and Mrs Lago very well, a truly beautiful couple on the inside and out. I was in their son Mike's class, and I remember what a wonderful family he had.It seems like all the folks we looked up to when we were growing up are passing. This is not a goodbye, this is simply a see you later, All my love to you all, Love Liz Marshall

“ One of Mike's favorite activities was bird hunting. Every fall, as soon as the leaves started to change, he would be gearing up for a trip to Maine to hike through the woods for hours on end in search of grouse and woodcock with his small herd of English Setter hunting dogs in tow. This was an activity he shared with many of his friends and family members for many decades. Pictured here is his friend Dennis Blair (far left), his grandson William Lago (second from left), his youngest son Steve Lago Sr. (second from right), and Mike (far right). He enjoyed staying at his camp in Vanceboro, Maine but he also loved staying with his good friends, the Day family, who own Palfrey Lake Lodge in New Brunswick, Canada.

“Papa Mike” Lago was incredibly blessed to have the opportunity to share many years with his great grandchildren. Pictured here are two of his great granddaughters, Theresa Lago (right) and Hannah Lago (left). Theresa and Hannah loved walking up to his house for a visit because it usually meant they would be walking home with a half-gallon of Lago’s Ice Cream. They were always excited to share with him the latest moves they learned in their gymnastics and dance classes. They loved saying hello to his many dogs and going for impromptu rides on his fourwheeler. He was loved deeply, will be missed dearly, and will always remain in our prayers.
