“ *Big Mike, i still can't believe you are gone. Thank you for your love and friendship and all of your wonderful stories all of these years. And thank you for sharing Frye Island with me and all of us..... I have so many beautiful memories with you, Lou and I. (and a few others here and there LOL) we've had so many laughs over the years and quite a few tears but we were always together. a lifetime of memories.....*

thank you for sharing your family cottage and making it our family cottage. Endless beautiful memories that we all have. Heading to the dump, searching for deer, just riding around the island. we will always remember you cooking gourmet dinners, when you cooked for 25 of us, and the endless boat rides, making sure all the kids got their turn on the tube.

I hope you are in peace up there with the rest of the clan. You will always, always, always be in my heart. Love you more than you know.... or maybe you do..... Stacy
