“ Jeanna and The Orlando Family, I am so very sorry to hear about Mike's death and as you already know, I too am suffering the loss of my big brother. Let this time be shared by both families as a time of remembrance and reflection on the good times we shared with our brothers. Prayers, Thoughts and Deepest Sympathies to you all and know that I will be thinking of you especially during the time that I grieve for my own brother as I know just how much our brothers really meant to us. Dianne, there is no greater loss than that of the loss of a mother's son and please know that my mother is sharing in your sorrow as she grieves the loss of her first born son. My family's hearts are with you all...Rest in Peace Mike...your pain is over bud.....Harold Lowell and The Lowell Family
