“ My Girl,
Well it has been just over a year since you left us all so suddenly & shocked by your passing my "BFF".....you were like a sister to me and i will always be heart broken & missing you til we see each other again when it is time for me to go.
You have no idea how many people you touched in some way with your compassion & your friendship, your love & kindness. I know that i have many memories of the time we shared with each other and they hold a special place in my heart.....i hope that one day i will be able to recall the memories & smile more than i shed the tears!! I know you will be watching over me (heck we both know when it comes to hospitals & surgeries they must have a room with my name on it!) You were beautiful on the outside and you had a beautiful soul!! I can recall the times we went to see your favorite person Gary Hoey.....we exchanged a few messages & he was as stunned as the rest of us & he knew you had a beautiful soul & i truly believe that you were his biggest fan!! :0)
Til we meet again one day i will carry the times we shared with me & I know you are my Guardian Angel.....you will be watching over me.....til then rest in peace my BFF....MY SISTER.....MY KINDRED SOUL!
ALL THE LOVE IN THE WORLD....ALWAYS,
XOXO

“ My heart goes out to the family in this very difficult time. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. May your memories of Michele give you peace and comfort. I always find great comfort in these words by Leo Buscaglia and may you also. "I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love." You will never be forgotten Michele! Rest in peace my good friend.

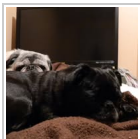

God be with you and may he strengthen you in the days ahead.

Dear Michele, back in elementary school I remember you being one of the sweetest girls there. Always kind and friendly especially to those like me, who were quite shy, you were a refreshing breeze to be around. In the recent years you would still give such sweet upbeat comments that made me realize I was lucky to have you in my life again, even if just through facebook. I will miss seeing your beautiful face on there and all the creative ideas you had for cool haircuts. I will miss you my friend.

“ *The first time I met Michele was when I believe she was working at the Seabrook Library as a Children's Librarian, and when the library was still on Route 1! I had an "almost three year old" daughter, dressed as a clown for the Halloween Party there. Since then, I gathered up many more memories with Michele. She has a sweet soul. A light amongst us has gone out, but I believe there is a new star in heaven, in its place. Prayers to Mason and my Fran and her Allen and to her sisters Stacy and Corri for peace and courage.*
