“ Michelle was the best of us, she will be missed by so many . I can still hear her voice saying “Maryann how long has it been!” I’m so grateful we were able to reconnect that weekend at Jackie’s in Vermont. Michelle had the best memory of those days back in high school, things that I forgot, that were the funniest times ever! Thank you Michelle for reminding me, I promise to remember them always when I think about you.

“ I only had the privilege of meeting Michele once but I will never forget her smile and her laugh. Michele, you are loved by many and will truly be missed. You are no longer in pain and for that I am grateful. Love and hugs until we meet again.
