“ To Kenny and Family,

*I am so sorry for the loss of Michelle. She was a bright light in this world. She always showed up in a caring and loving way. I had been visiting my Mom and Michelle was there to bring joy to Mom. Mom was struggling with her illness at that time. Her laughter was what I think of most. She was easy to be around and she said to my Mom, How did you end up with the most caring family? She complimented everyone. She made you a better person just by being around her. She will be missed dearly. My heart goes out to you and your family.*

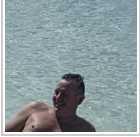

*Love,*
