“ *For two years, Mimi was my supervisor in the Speech Department at Oyster River Middle School. She was the most generous person I have ever met - generous with her time, generous with sharing her vast knowledge, and so generous with people of all ages. She was so patient with students, and really cared about helping them navigate through life. She also spoiled the adults at school with baked treats(both regular and GF) and cool glass creations. Her world was full of family, tLion's Club work, Speech Conferences,and cats!*

Mimi was a good friend. I will miss her dearly (and now I know why she hasn't been returning my calls)!

“ Mimi, I have many heartfelt memories of our times together with Hans on his boat and at his home. We shared some wonderful social time together and kept the marina vibrant with laughter and 'maybe' a cocktail or two??? Mimi how we loved sharing stories about our furry 4 legged treasures in our lives, Snowball, Wiley and Pumpkin. May you be peaceful and give Hans a hug for me along with the one I'm giving you. My love and blessings. Maple

“ We all lost a beautiful person. Mimi was loved by so many and she loved so many in return. Her face would light up when she talked about her grandson. I will cherish all the ceramic pieces she made for me as they represent her thoughtfulness for others. You will be remembered Mimi.

“ I am so sorry for your loss of a beautiful woman. Mimi gave so much of herself to students, staff, and the folks at the Community Table. I enjoyed the pottery pieces she gave me with such joy when I worked at Timberlane. She was so proud of you Wally and excited that Lucas was her grandson. My deepest sympathy, Justine Caron

“ I will NEVER forget Mimi. For so many years at Timberlane, she hand-crafted small pottery items and gave them to each and every staff member at Christmas. For those she knew better, they were even customized - mine always had a science theme! I still have every one of her creations, and even use a couple daily as paper clip and post-it-note holders on my desk at school. She was always one of the kindest, most gentle people in the building. I missed her after she retired, and I was thrilled to have bumped into her outside of Portsmouth Hospital, when I was getting scanned for a procedure on my back. We talked for nearly an hour in the parking lot, and she gave me one more little gift, a melted-glass flame that is designed to hold a votive candle. I've used it many times, as I love the way it casts a soft orange glow around the room. I think of her every time I use it... her "light" will always shine with me! - Steven Rugoletti, Timberlane High School science teacher.

“ My sincere condolences to the entire family. I was Wally's kindergarten teacher and Mimi was such a wonderful person. I would run into her in the halls of Timberlane, on parent nights, and she always greeted me with such joy in her heart. May your wonderful memories sustain you in this difficult time.

“ Hello. My name is Debby Moger (Radonsky). I knew Mimi since we were 12 years old at the Solomon Lwenberg Jr. High. We got along so well because of our mutual love for the Lovin' Spoonful rock group. She was a good , loyal, friend through all these years. Our sons, both about the same age, and only children were friendly for a short period way back when. I send my most sincerest sympathy's and love to my friend Mimi. Condolences to Steve, Wally , and sisters.

“ *Dear Steve & Wally,
So incredibly sad and shocked to read of Mimi's passing. We recently caught up at the Seabrook rec during voting season. She was so proud of you Wally! I loved sitting in the stands at WHS with Mimi watching Wally & Steve's football games! She was the envy of us all on those freezing cold game nights as she thought to bring a sleeping bag and wrap herself up in it! We all froze but Mimi was toasty as could be. Please know that we are thinking of you at this very very sad time. May Mimi's beautiful heart and spirit be remembered forever and may she rest in eternal peace and happiness. Fond memories will always remain 💔
Sincerely,
Roseanne & Steve Lago*
