

Moira Power Stuart

November 19, 1949 - June 25, 2024

Hampton - Moira Power Stuart, 75, beloved bride of Brian Stuart of Hampton, died on Tuesday, June 25 at their home.

Moira has been the family heartbeat of her six siblings and generations of grandchildren and great grandkids. She chronicled and organized countless celebrations and events throughout the years, with food and laughter and love. Moira knew every birthday, anniversary, graduation and special accomplishment of every brother, sister, nephew, niece, and friend...and would mark the date with phone calls, cards, parties, visits and kisses.

Her early school years in Manchester, including Central High School, were rich with friends, singing in school talent shows and helping her mom raise a ever-growing number of brothers and sisters.

Moira enjoyed a long-time career with the Sanders and McDermott law firm in Hampton.

Her happiest adventure was meeting the love of her life Brian Stuart in 1979. They married in 1981 and, lived and loved for 44 years.

Love was the center of Moira's devotion and care for her mother Ginny, who lived with Brian and the family's little dog Maple. Her daughter Andrea was a

constant source of joy in her life, and Andrea took extra special care of her in the last year of her life.

A grandson Geo brought years of fun and love and special trips, especially to the White Mountains.

She leaves behind her husband, Brian; daughter, Andrea; grandson, Geo Belforti and his father, Dan Belforti; sisters, Mary Peterson of Hampton, Paula and Bill Munch of Hampton, Thomas B. Power of Hampton, Michael and Leanne Power of Portsmouth, Dennis and Jane Power of Exeter and Bill and Brenda Power of Lee. She also leaves behind many loved nieces and nephews and lifelong friends.

A visiting hour will be held from 10-11 AM on Saturday, June 29, 2024 in the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton, NH 03842. Services will immediately follow at 11 AM in the funeral home. Relatives and friends are respectfully invited.
