“ *Marcia and I were deeply saddened to hear about the passing of sister Myrna. We had a lot of fun and happy times together with our entire family over the years. Myrna was kind and unselfish and I will never forget the outstanding job she did watching over our mom for such a long time. We lost touch when we moved to California but I will always remember my childhood years with my sister Myrna.*

“ Oh Auntie, I'm stunned and so, so saddened that your "Craaaazy" voice has fallen silent. You were the best, the most fun, the warmest and always the life of the party. It's just too soon, Myrn. To say you'll be missed is an understatement. Until I see you again, I love you Auntie.

“ It's so hard to believe my cousin Myrna has passed. She was always so full of life and fun and had the best laugh. My memories of her through the years are all wonderful that bring a smile to my face. No one could ever replace her, she was the best of the best in our family. Rest in peace Myrna, we'll all be together again one day.
