

Mrs Nancy Alice Botte

April 1, 1958 - December 14, 2025

Nottingham — It is with deep sadness that our family shares the news of Nancy Alice Botte's passing after an extended illness. Nancy was surrounded by her loved ones and friends in the days and weeks leading up to her passing, finding comfort in their presence.

Nancy was raised in Lexington, Massachusetts, and moved to Falmouth, Massachusetts where she graduated from Falmouth High School Class of 1976. Following that, she pursued an education in travel services leading to a life that diverged across many paths.

She embraced her love of travel with an 18-year career as a travel agent. During this time, she met the love of her life, Ernie, while assisting him with his frequent business trips. They discovered a shared love for adventure, extensive traveling, being outdoors and each other. This led to a 28 year marriage during which, they welcomed and cared for many rescue dogs and one pig. Nancy and Ernie also pursued a shared passion for Norwegian Fjord Draft Horses, and Shetland ponies and competing in combined Driving events.

When travel planning changed, Nancy pivoted to a career as an Emergency Room Administrator at Portsmouth Regional Hospital where she served her community for 18 years.

She leaves behind her husband, Ernie Botte, and her brother, Gary Manter. She was predeceased by her brother, Ned Manter, and sister, Laurie Donnellan.

Nancy's indomitable spirit and charm will be deeply missed by all who knew her, and cherished memories will forever remain in our hearts.

Family and friends will gather to honor and remember Nancy for a period of visitation on Saturday, December 27th, 2025 from 1:00 p.m. until 3:00 p.m. with a prayer service in the chapel beginning at 3:00 p.m. in the Remick & Gendron Funeral Home, 811 Lafayette Road, Hampton, NH 03842. A Celebration of Life will be held in her honor in the spring.

In lieu of flowers, donations can be made in Nancy's name to any animal rescue charity of your choice.
