“ *Nancy was a pre-school assistant teacher at Amesbury Country Day School while Katie and Kelli attended there. She was personable, caring and patient with all her students and they all loved her. Without doubt, "Miss Nancy" helped the lead teachers create a valuable pre-school experience for many children .*

“ My heartfelt Prayers are with the Cobly family, and Nancy's children during this extremely difficult time. It seems like yesterday we all gathered at Jeans house because her parents were the cool parents, and they always welcomed Jeans friends. She had these cooler older sisters.... And yes Patty was younger but always cool too. All my love to each and everyone of you, and God Bless

“ We were blessed to have had the time here on earth with her. I have too many beautiful memories that I cherish with her to share just one. She was and is an absolute gem of a human being and there will always be something missing in the world now that she was called home. We will carry her in our hearts for the rest of our time here and I look forward to seeing her again one day.

*I love you so much my precious auntie ❤️*

“ I will always remember and never forget my sister Nancy. I will hold close all the memories, sharing a bedroom together, sneaking and wearing her clothes cause she had better taste than me, rushing home to change before she got home. She always wanted to be a mother and she was a fantastic mom, grandmother and sister. ❤️

“ She was the BEST mother anyone could ask for and best sister, aunt, grandma, friend and everything else. Anyone that was lucky enough to know her was unimaginably blessed. She will forever live on in our hearts. Gone but certainly not forgotten. I love you mom, until we meet again.
