“ Nathan - It was just a little over a month ago when you were helping Alex and me set up our tent at Salisbury. Little did I know it would be our last hug good bye! We are heart broken for your Mom, brothers, grandparents, Lottie, Kaya, and all of us you left behind. I so hope you found the peace and happiness you deserved. I know you are with your Dad and, along side of him, will guide Kaya through life, and will watch over her. We will miss you! Rest in peace! All our love, Aunt Carol, Uncle Bernie, and cousins, Alicia and Alex.

“ My sincerest condolences to Kaya, Lottie, your mother, your brothers, and the rest of your family. I've witnessed your struggle and hope that you have found the peace that you so much deserve. I promise to always be there for your daughter and raise my son to be her shoulder to cry on, her support, as well.

May you be one of the Angels in the Outfield and continue to help guide Kaya throughout her life. To help do so, I have created a GoFundMe in your memory to start a college fund for Kaya.

“ Nate, I loved you then and I love you now. For 13 years you were my best friend and we shared some of the happiest, and some of the hardest, moments together. Through it all I took for granted that you'd always be there. Our marriage ended but my care for you did not. You will always be my daughter's father and I see your face in her's whenever i look at her. I wish I could have saved you. I will raise Kaya to remember you. She will have pictures and videos and I will share our lifetime of memories with her. I hope that you finally are at peace.
