A Place for You

By Michele Meleen

My child, I keep a place for you
where no one else can see.
I have this gift nobody has
the bond between you and me.
At times I cannot feel you here
and that pain won't go away.
But when I search my place for you
you're with me every day.
My child, you're not lost,
you don't need to be found.
I've got you here, in my heart
where we're forever bound.

“ Jordan. I am at a loss for words. This doesn't seem real. Although I don't have Facebook or social media, I just found out about your passing. My heart is so broken. I had so many memories with you. Like going to usher, our trip to Miami, and all those crazy fun times on Hampton beach. I am so grateful for the time and memories that I have with you. Your laugh and smile will live on with me forever. Thank you for being such an amazing friend to me. With tears in my eyes I want to say that I love you so very much and I know you are at peace, and heaven is brighter with you there. Love Alison ❤️

“ Mike and I remember Jordan as an adorable little boy that would toddle over to visit us and be fascinated at whatever was going on in our yard. Such a welcome little visitor he was. We are so sad and send our heartfelt condolences to his family.
