“ *I am so grateful to have met nick at rvcs. He was the kind of person where you would laugh before he even spoke because you knew what he was about yo say was going to be hilarious. His effortless comedy brought smiles and laughter to everyone. Some of the jokes he made make me laugh to this day. He will always be remembered*

“ *I went to RVCS with Nick, he was always making everyone laugh in middle school. RVCS is a small school and always was tight knit. I am sure we all share the same memories of Nick making the room full with laughter. May he rest in peace.*

“ I was lucky to have Nick as a student for two years at RVCS. A glance and a smile from him made a day better and work worth the effort.
