“ *Noreen was a joy to work with. She had such a good sense of fun! I still have fond memories of her when she attended Rockingham School . She has always been in my heart and will continue to be as every once in a while I will think of situations in which we made a task fun. It was my luck to be her teacher. Sincerely Lee Kierstead*

“ I worked for Community Developmental Services in the 80's. Norden was a youth I worked with, taking her to the pool to learn to swim. She was scared stiff! Once she got used to it, she'd laugh so hard, the two of us couldn't stop! She had the most infectious smile and laughter! My thoughts are with you family! She was quite a character!

“ I have known Noreen since she moved in to Lafayette House several years ago. I visited my daughter Julie and her Husband Dennis who are the resident managers there. Noreen and I had a strong relationship and had a good time doing crafts and cooking together. She was an enthusiastic woman who brought joy to many. I know I will miss her presence the next time I visit Lafayette House!
