

## Norma Jean Severance

February 23, 1943 - May 16, 2023

Rye - Norma Jean Severance, 80, of Rye, passed away peacefully on Tuesday, May 16, 2023, after an extended illness. She had battled dementia for several years and needed friends and family to help care for her until she came to the assisted living community at Cedar Healthcare in Portsmouth, NH. Norma was born on February 23, 1943, in Brentwood, NH, a daughter to the late Fred Herbert (“Herb”) and Bonnibel (“Bonnie”) Taylor. She shared many years of beautiful marriage with her devoted and loving husband, Larry D. Severance.

Norma and Larry, a retired Rye Police Officer, have lived in Rye since 1970. Norma was fun and feisty and had a genuine love for family and friends. She loved to sit on her deck and watch God’s creatures at play. She loved to play dominos and go for walks. She will be greatly missed by all.

Norma is survived by her husband, Larry D. Severance, and their 3 children: daughter, Bonnie Jean Severance of Duluth, MN, son, Robert (“Bob”) Larry Severance (Lisa Smith Severance) of Milford, NH and their youngest daughter, June Elizabeth (Matthew Ware) of Akron, Ohio, 3 grandsons, Zachary, Camden and Connor and a great granddaughter, Abigail. Norma is one of nine siblings, 4 surviving (Lucille, Harry, Bruce, and Roy).

No funeral is planned. The family wishes to mourn the loss of their wife and

mother privately. Donations to your local Alzheimer's Association are greatly appreciated. We want to thank all of the compassionate staff at Cedar Healthcare and Harborside Hospice in Portsmouth, NH for taking care of her and helping us through a difficult time.

“ Hi Mom . . . thinking of you. The family is doing well. Aunt Lucille passed away recently. Just the 3 boys remain now. They are holding their own but not without health challenges. Daddy is doing well. I am taking him to Montana for his 80th birthday. Should be fun . . . we miss you but we know you are good hands and feeling like yourself again. Love you bunches.

“ Hey Mom, it's 2026 . . . daddy will be 80 this year . . . he's doing well. The family is good. We all miss you so much. I think of you often. I still reach for the phone on occasion. I miss talking to you. I love looking at your pictures and listening to your voice on some older phone messages. I took that trip to Italy. It was amazing. I spoke to both Bruce and Roy recently. They are doing well. Missing you, their big sister. I hope Heaven is everything you thought it would be. I love you mom, forever and always.

“ Hi Mom, it has been awhile since I have written you. As I am sure you are aware, Uncle Roy is cancer free. He's fighting hard to regain his strength - the treatment took a lot out of him but God is good and he will be okay. Daddy is still with me. He has decided to stay in Minnesota. He's doing good, getting around, meeting some of my older neighbors. Bob and June are doing well. Connor is engaged to a lovely young lady, Megan. Cam and Kristina just celebrated an anniversary. Zach is doing great. He, Kristina and the boys keep busy. He loves having papa close by. They get to hang out quite a bit. We were going through some of your recipes last weekend, and found a couple of cute notes you left for June and I. We miss you. I miss you. I still go for the phone to call you. Abby just started her Junior year in high school - can you believe it! She's beautiful. Me, I am doing good. Working hard, staying out of trouble. :) Get this, I am going to Italy - I am looking forward to it. It will be fun. I know you'll be watching over me. I love you, Mom!

“ Hi Mom, I have been thinking about you. I miss you so much. You have been in Heaven for 2 years now. Daddy is visiting me for the Summer. It has been fun. He misses you. The kids are doing well. Zachary is getting married next October. I am so happy for him. He lost his dad a couple weeks ago. David passed away. Zach took it hard - mourning the father he never really knew. But the same weekend he passed, dad arrived so he had his Papa to help him through it. Abby is 16 and driving. Can you believe it?! She's beautiful. We love our time with her. Uncle Roy is battling an illness but he is fighting hard and I pray he'll be okay. I know you are watching over him. I love you mom. Tell Bumpa his first born granddaughter says "hi".
