“ *My uncle, my godfather, the one who walked me down the aisle. I have so many fond memories of him. Growing up, I spent lots of time at Grammy and Grampa's when he lived there. I could go on for hours telling stories of what tricks he played on me! I always looked to him and thought he was the best uncle anyone could have! I also loved going to bingo with him and Barbara, we always had such a good time, even when we didn't win! I'm truly going to miss you, Uncle Norman! Love, Jean*

“ To me, Norman was always smiling, showing off his collections and collecting, and forever friendly and talkative with anyone! I will miss knowing he is around and seeing him now and again when I can get to NH. Wonderful man and uncle.

“ During my High School years, 1949-1952, Norman and I would go camping, hunting and fishing practically every clear day during the summer months. At night we would go to the Cocheco River and fish with a drop line for catfish (horned pout). We had a great time growing up during those carefree years.

“ Uncle Norman was always a guy we wanted to hang out with. He was fun and he took us on adventures that were new and exciting. From blueberry picking, where I probably ate more than I put in my pail, to deep sea fishing and digging for clams when my boot stayed in the mud and my foot came out of the boot. We were always having a good time. I spent much of my childhood in NH and he was a big part of it. I will miss him dearly. He was kind and loving and taught me a lot. My favorite uncle by far and a great man. Rest In Peace and give my Mom, grandpa and Granny as well as Maren and George a big hug from me !! Love you.

“ Norman was such a great person and a lot of fun to be around. He liked to share memories of his growing up in Rochester and the "adventures" he had as a kid. He loved bingo and had a lot of fun and enjoyment from playing in different surrounding towns. He will be greatly missed at Meals On Wheels where he almost forgot his hat quite a few times and had us laughing and having a great time. Rest in peace, Norman.
