“ Norm was a wonderful man with the kindest of souls. A warm and inviting smile, a wonderful laissez-faire attitude. He was passionate in all that he did. Playing tennis with Norm was such a pleasure, whether singles or doubles, it was fun. He insisted on making it that way. Travel well my old friend! Condolences to Debbie, Aaron and all his family and friends.

“ Such sad news. Norm was a great man. Generous with his love of life, his friendship and had a big love for everything animal! I house sat for him for a few years and he let his house be a place where I felt safe with his dogs, and Deborah’s dog as well. It was an honor to attend his 70th birthday celebration and see him and his friends pour out love for him. I will miss him and I know his family, Kate and Deborah are wishing him peace on the other side. Rest peacefully Norm. Your animals are so happy to have you surround them with the love you gave them on earth.

“ To Aaron and the entire Silberdick family, I am so sorry for your loss. I had the opportunity to meet Norm just once while Aaron was employed by me on my fishing vessel. From that brief encounter I could see what a great, bigger than life and gracious person Norm was. I truly regret not having further encounters and offer my humble condolences. Respectfully and sincerely, Geordie King-

“ I was surprised to see Professor Silberdick’s familiar face in the obituaries. At Keene State (early 1980’s) I recall many of us were behind after Accounting 1 and when we were taking Accounting 2 with Professor Silberdick, he held extra Saturday classes to help catch us up. He was a fabulous teacher and a very kind man.
