“ *I had the pleasure of working with Pam many years ago at Depriscos in Boston. I will always recall her ability to handle all tasks, great or small with grace and humor. I was saddened to hear of her passing. I know she fought bravely against the terrible disease which ultimately took her.*

Many fond memories of her will always remain. May she be forever at peace with those who went before her.

“ *I am a cousin of Pamela and have many many memories of visiting her family home in Melrose for family gatherings during our younger years. Swimming in their pool, cookouts. Hide and seek were great times. Pamela and Susan (amazingly close sisters)hosted a Stiles Family Reunion which was amazing recently in 2017. Food, beverages, goodies and best of all Family Group pictures! Unfortunately we can not attend services due to another funeral service in North Conway at the same time. Deepest sympathy to the whole family. Norah(stiles)Sutton*

“ I spent a lot of time at the Stiles home (as did many others) during school days in Melrose. Pam was beautiful inside and out, always soft spoken and kind to her sister’s friends.
She was the first person I knew who had a love for ballet and she herself had the charisma of a prima ballerina.
Susan, I feel your heartache and hope you can find peace knowing you shared a sister love that will resume one day when you are connected with your mother, father and Leslie.
Condolences to all those that feel the loss of such amazing woman.
