“ To Allan and Alison, sorry for your loss. I hadn't seen Pam in years, but knowing how caring you two are gives me an idea how you two were raised by your Mom and Dad

Pam was a beautiful, loving ,hard working lady who dressed very fashionably whether teaching school or running errands. She always looked her best.

Pam put her heart and soul into everything she did including her family. She loved you all dearly.

I miss her already and my thoughts and prayers are with you and the family.

“ To the King and Reyes family, hearing of Pam's passing is heartbreaking, this is a difficult time and my heart and prayers go out to you all. Aunt Pam has always had a light in her eyes, smile and her unconditional love she had for family.

Was always proudest of her children, grandchildren, and friendship with uncle al was amazing.

My favorite story she would tell me is when her and uncle Allan first got married they would take me to stay with them in their apartment in Lynn.

As a child they were kind to me and I will never forget it. Last thing is what a beautiful woman in her younger days, she reminded me of samantha from bewitched, watched addams family and the munsters for the first time with her and uncle Allan, hence my fascination with halloween.

Aunt Pam I love you and will miss you, your bright light is at peace, God bless you! Love always lisa
